Prior to Orientation

ICU, Telemetry, & Med Surg RNs submitted for training must take the Cerner 101 course followed by the Cerner 102 course. ER RNs submitted for training must take the 101 course, the 102 course, as well as the FirstNet course, which is specific to the ER. Call INS for training available training dates.

If you have completed these classes previously please note this on form 1 under pertinent Candidate Experience. .

Cerner Classes will be held in the Medical Pavilion basement, Lab A.

FirstNet Classes will be held in the Medical Pavilion basement, Lab B.

RNs to report to the Staffing Office at the end of the 102 class to obtain their computer sign-on information.

Additional Orientation (on the floor) will be required prior to first shift. *Typical orientation is as follows...

ER - 2 hours prior to first shift (for example, RN would arrive @ 9p for an 11p shift).

ICU - 12 hours (first shift is all orientation).

Telemetry & Med Surg - 2 hours prior to first shift (same as ER).

*Exceptions may apply

St. Joe's would like to make the following 2 points very clear...

RNs must give notice of cancellation for classes a minimum of 1 week prior to scheduled class. Cancellations are not taken lightly.

Once training has taken place, RNs are expected to pick-up per diem shifts on a regular basis.

Please let me know if you have any questions.

Thank you!
